

HABITAT SEEKS CONTRACTORS

FOR ROOFING & MAJOR SYSTEMS REPAIRS

HOME REPAIR PROGRAM

We assist low-income homeowners (many elderly or disabled) to make repairs that preserve their home, making it safe and accessible.

Now we are adding **Critical Repairs** to our Home Repair program, to do roof replacement and major system repairs.

Habitat's Critical Repairs will be funded by a Community Development Block Grant from Bucks County which requires using qualified sub-contractors to do the repair work, therefore,

WE NEED CONTRACTORS!

Contractors are selected based on lowest bid and are paid promptly by Habitat Bucks.
