

# Tax Benefits for Your Business

**Habitat**  
for Humanity®  
of Bucks County

The Pennsylvania Neighborhood Assistance Program (NAP) offers a **75% tax credit** for business contributions.

## How does it work?

Businesses provide a letter to Habitat Bucks with the amount they will contribute if the application is approved. If approved, your business will get a PA tax credit for 75% of the value of your contribution, which you'll have 5 years to use. If it's not approved, there is no obligation.

Deadline to participate is October 30, 2020.

## Who does it help?

Habitat Bucks' Home Repair Program helps lower-income local residents retain their independence and remain in their own homes. Your support will help foster safer, livable homes and communities through 46 affordable home improvement and repair projects this year.

## Who do I contact?

For more information, contact Candace Clarke, Resource Development Director at [c.clarke@habitatbucks.org](mailto:c.clarke@habitatbucks.org) or **(215) 822-2812, Ext. 316**.
