BEFORE (TOP); AFTER (BOTTOM)

Mamie's steps were crumbling and unsafe. Her new steps are sturdy and equipped with handrails for added stability, support and peace of mind.

"Without these low cost repairs many of these homeowners may not have been able to stay in place safely. This certainly meets an objective of our foundation and we are happy to continue to support the program."

Todd Leff
The Leff Family Foundation

HOME REPAIR

"Our kids are now freely able to run in their backyard because of the amazing fence to secure their safety."

How does it work?

- Apply to the Home Repair program
- Allow Habitat Bucks to assist you to identify and prioritize what your eligible repairs are
- Habitat Bucks will estimate your repair costs
- Skilled construction staff, subcontractors and volunteers complete your repairs
- Homeowners assist with the work as they are able

Affordable cost

- Homeowners pay only a part of the cost of materials and subcontractors, based on their income
- Zero interest loans are available when applicable
- Donations, grants and homeowner payments cover the cost of the project
