

Team Builders

BENEFITS TO PARTNERS

Team Builders is a program designed especially for corporate and civic groups to come together for a day of team building and home building with Habitat for Humanity. The combination of volunteer hours and financial donation doubles your group's impact on our mission of providing affordable homeownership opportunities in Bucks County.

By the end of a Team Builders day, your group will be connected with each other and with the community in a truly unique way. The satisfaction that comes from working with your hands, along with the knowledge of your impact on our community, will leave your group motivated and exhilarated.
