Take Control of Your PA Taxes!

PA Neighborhood Assistance Program (NAP)

Pennsylvania's Neighborhood Assistance Program (NAP) encourages and strengthens partnerships between the private, nonprofit, and public sectors by providing tax credits to businesses that contribute to vital community projects. By enabling businesses to help nonprofits like Habitat Bucks meet funding challenges, NAP puts communities on the right track to self-sufficiency.

Why NAP Tax Credits?

- Businesses receive a **90%** tax credit on their contributions to Habitat Bucks' Home Repair Program.
- Most of the administrative paperwork is handled by Habitat Bucks.
- NAP tax credits offset most of the cost of contributions while making real impact on affordable homeownership. A $10K commitment would cost less than $1K out-of-pocket.

Commit

Private business commits to a donation with a Letter of Intent signed on or before May 15, 2026.

Apply

Habitat Bucks applies to the PA DCED on May 29, 2026 to receive the tax credits.

Contribute

Private business has until June 30, 2027 to make their contribution to Habitat Bucks.

Submit Claim

Private business has until December 31, 2027 to submit their claim for tax credit to the Dept. of Revenue.

NAP Tax Credits can be used against:

- Personal Income Tax
- Corporate Net Income Tax
- Bank Shares Tax
- Insurance Premiums Tax
- Title Insurance & Trust Co. Shares Tax

NAP also counts toward CRA credits

For more information or to make a commitment, please contact Jennifer Drayer-McDonald, Resource Development Director
